

Rhino 4-Rail™ Fiberglass Marker Post Fact Sheet

Part# F4

The Rhino 4-Rail is the industry's second most popular profile topped only by our 3-Rail™ Fiberglass Post. It's design allows the post to bend over when hit, then snap back into its normal upright position.

Description:

- Standard lengths: 62" | 66" | 72"
- Width: 4"
- Pultruded fiberglass set in a composite resin
- Side-rails and reinforcing rib provide strength and rigidity
- 18" bury-depth decal included
- Temperature stable
- Fire resistant
- Pointed end for easy installation
- 10-year warranty for posts that include our patented PolyTech Coating™
- Can withstand impacts from front or back and return to standing position
- Decals may be applied to front and back
