

## Product Description

The Multilink RNI-2500 plastic demarcation enclosure provides the ultimate mounting flexibility of our FlexGrid™ mounting system. FlexGrid™ equipped boxes are guaranteed to fit any manufacturers splitter footprint. Four raised mounting blocks allow for a second level mounting plate to be installed above the base level of the enclosure. Specialized grommets and a main cable tie-down location provide added security along with industry standard locking terminal.

## General Specifications

|                           |  |
|---------------------------|--|
| <b>Dimensions:</b>        | 12.95" H x 12.37" W x 4.90" D                |
| <b>Weight:</b>            | 1.74 lbs.                                    |
| <b>Material:</b>          | Plastic                                      |
| <b>Color:</b>             | Gray   |
| <b>External Mounting:</b> | Four T-shaped Mounting Locations             |
| <b>Internal Mounting:</b> | FlexGrid™ Mounting w/ Raised Mounting Blocks |
