FRM-1RU-2X-TS-DOT

Product Description

The Multilink FRM-1RU-2X-DOT is a 1 Rack unit (1.75") termination panel. With standard recessed mounting brackets designed for EIA 19" racks. Unit is designed to support two adapter panels (see catalog for list of panels), one 12ct Splice tray and one 12 Fiber Pigtail. This unit can be Pre-terminated to fit your exact requirements. It has a removable cover with single swell latch to allow for easy access to the adapter panels. The FRM-1RU-2X-DOT is just one of a family of units that support fiber terminations in rack mount applications.
