

# 1120-SSTP

072-059-10

## Product Description

Multilink's Patch / Splice Modules are manufactured in house and are built to Telcordia and our Six Sigma standards. Our Fiber Deployment Module (FDM) kit is flexible for upgrading or adding to existing wall and rack mount configurations. Our CT-X Cassettes can be used in our competitors wall and rack mounts and can be loaded to your specifications. All products are capable of being custom tailored to your specifications.
