### Product Description

Multilink's metal molding provides clean cable routing. The .75" metal molding lineup includes everything from straight run pieces to angle and corner pieces. All parts and pieces are manufactured by Multilink right in the USA. We stand by the quality of our products against many things such as cracking and warping. The longevity of our molding will provide many years of operational use.

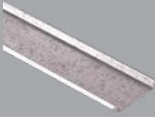

### Features & Benefits

- Indoor and outdoor use
- Variety of colors to match the application
- Quick and easy installations
