

CW8580-001 | IFDB-SPLT-1*4-S2

IFDB Optical Splitter Module, plug & play, SC/APC ports, 1 x 4 splitter

Product Classification

| | |
|------------------------------|-----------------|
| Regional Availability | EMEA |
| Portfolio | CommScope® |
| Product Type | Splitter module |
| Product Series | IFDB |

General Specifications

| | |
|---------------------------|----------------------|
| Device Type | Plug-and-play module |
| Functionality | Splitting |
| Circuits, quantity | 1 |
| Distribution Type | 1 x 4 splitter |
| Interface, front | SC/APC |
| Interface, Input | SC/APC |
| Interface, Output | SC/APC |
| Split Ratio | Symmetrical |
| Splitter, quantity | 1 |

Optical Specifications

| | |
|-------------------------|--------------|
| Wavelength Range | 1260–1635 nm |
|-------------------------|--------------|

Packaging and Weights

| | |
|---------------------------|---|
| Packaging quantity | 1 |
|---------------------------|---|

Regulatory Compliance/Certifications

| Agency | Classification |
|---------------|---|
| CHINA-ROHS | Below maximum concentration value |
| REACH-SVHC | Compliant as per SVHC revision on www.commscope.com/ProductCompliance |
| ROHS | Compliant |
| UK-ROHS | Compliant |
